Grievance Procedure for Section 504, Title IX, and Title VII Regulations

The Board of Education does not knowingly condone discrimination on the basis of race, color, national origin, sex, sexual orientation or handicap in admission or access to, or treatment, or employment in its programs or activities.

Inquiries regarding compliance, including receipt and investigation of any complaint alleging non-compliance may be directed to the School Director or his/her designee in the Director’s absence.

Definitions

A "grievance" is a complaint by an employee, or group of employees, or a student or group of students based upon an alleged violation of the provisions of Section 504, Title IX, or Title VII.

The term "employee" is considered to apply to any employee of Common Ground High School. The term "student" is considered to apply to any student enrolled in the Nutmeg Public Schools. The term "teacher" is considered to apply to any teacher employed by Common Ground High School. The "teacher," "employee," or "student" may include a group of teachers or a group of employees or a group of students who are similarly affected by a grievance.

An "aggrieved person" is the person or persons making the claim.

The term "days," when used in this article, shall, except when otherwise indicated, mean working days.

Purpose

The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may arise under the provisions of Section 504, Title IX, or Title VII.

The parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.
Nothing herein contained shall be construed as limiting the right of the complainant having a problem to discuss the matter informally with any appropriate member of the administration.

Any complainant shall have the right at any time to present any grievance to such persons and through such channels as are designated for that purpose in this article.

**Time Limits**

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum, and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement in writing.

If a complainant does not file a grievance in writing as provided herein within 30 days after the aggrieved person knew or should have known of the act or condition on which the grievance is based, then the grievance shall be considered waived.

**Informal Procedure**

Any student, employee or applicant to a program who feels that he/she has been discriminated against on the basis of race, color, national origin, sex, sexual orientation or handicap shall contact the School Director within 30 days of the alleged occurrence to discuss the nature of the complaint.

The Director shall maintain a written record which shall contain the following:

1. Full name and address of complainant.
2. Full name and position of person(s) who allegedly discriminated against the complainant.
3. A concise statement of the facts constituting the alleged discrimination.
4. Dates of the alleged discrimination.

At the time the alleged discrimination complaint is filed, School Director shall review and explain the grievance procedures with the complainant and answer any questions. She shall then determine whether to resolve said complaints through formal or informal procedures, and will immediately undertake or authorize an investigation. Informal proceedings will be conducted by the school Director or his/her designee. Complaints requiring formal procedures shall be immediately forwarded to the school’s Title IX officer, who will conduct a formal investigation. All complaints involving school administrators should be made directly to the Title IX officer.

The School Board hereby designates Betsy Sneath as the School’s Title IX Coordinator. Ms. Sneath’s contact information:

**General Provisions**

Decisions rendered at all levels of the formal grievance shall be in writing setting forth the decision and the reasons therefore.

All documents, communications and records dealing with the processing of a grievance shall be filed separately from the existing files of the participants.

Any person may also file a complaint of illegal discrimination with the Office for Civil Rights, Washington, D.C., at the same time he/she files the grievance during or after use of the grievance process, or without using the grievance process at all. If a complaint is filed with the Office for Civil Rights, it must be filed in writing no later than 180 days after the occurrence of the possible discrimination.
